

CATHOLIC CEMETERIES OF THE DIOCESE OF ROCKFORD

CHAPEL MAUSOLEUM REGULATIONS

We share your concern for reverent, beautiful, peaceful environment in the chapel mausoleum. Your cooperation is required to make this a reality. Please advise your family and friends of these requirements:

- *Flower policy: only artificial flowers are permitted in the inside of our mausoleums.*
- *When the chapel is in use for an entombment/interment service, funeral flowers will be placed outside the entrance and will be removed and destroyed following the service. Family members are encouraged to retrieve flowers before they leave.*
- *A bronze vase is required for all decorations in our mausoleums. These vases must be purchased through the Catholic Cemetery Office.*
- *If you wish to have a bouquet of flowers placed in your crypt vase, please bring the arrangement to the Cemetery Office and we will place it on the crypt front for you, at our convenience. Please check with the Cemetery office prior to ordering an arrangement.*
- *Any ornaments or decorations taped or glued to the crypt fronts will be removed without notice. These items damage the crypt fronts.*
- *Crypt front damage is the responsibility of the crypt owner.*
- *Pictures of the deceased in permanent frames are not allowed on the mausoleum crypt fronts.*

We appreciate your help in keeping our mausoleums sacred spaces. Thank you.
