OTHER CHARGES

Vault Handling: This is included in our interment/vault handling service fee. If a family has already made pre-need arrangements with Catholic Cemeteries prior to September 1, 2000, the vault handling fee will be charged at the time of need. This vault handling fee (for both full body and cremated remains) is as follows:

\$300.00 weekdays before 1 pm; **\$350.00** weekdays between 1 pm and 3 pm; **\$400.00** weekdays after 3pm (daylight savings time only); **\$350.00** Saturdays before noon; **\$400.00** Saturdays noon until 3pm; **\$450.00** after 3pm on Saturdays (daylight savings time only). Our vault handling includes: tent or chapel use, chairs, and vault setup.

Cremation Vault	\$150.00 / up
Disinterment	quote
Tent	\$100.00
30" Grave Box	\$550.00

ACCOMMODATION FEES

When cremated remains or infants are interred as a second burial in a grave, the cemetery must be contacted before final arrangements are made with the family. Not all graves can accommodate cremated remains buried on top of the existing burial vault. Cremated remains may also be placed in an occupied crypt in the mausoleum. An accommodation fee is charged for all second burials on the same grave or in the same crypt. These charges are:

Adult cremated remains accommodation fee	400.00
Infant cherub entombed with adult in mausoleum	150.00

We encourage the use of the mausoleum chapel for all funerals at Catholic Cemeteries. However, for our planning we need to know at least 24 hours ahead if you wish to use the chapel for a ground burial interment service. If we are not informed ahead of time, we will bill the Funeral Home a \$100.00 service fee charge. When the chapel service is chosen, we require that the funeral end there. There will be no tent, no above-ground vault setup, no snow removal, and no chairs set up at graveside. The cemetery or the funeral home can transport the casket after the family and friends have left.

All ground burials at Catholic Cemeteries require an outer burial container. This includes cremations. Catholic Cemeteries oversees all vault handling. If a special request is made for a specific vault company to do the setup, our charges still apply.

All fees are due before the burial, unless prior arrangements have been approved by the cemetery. The family of the deceased **MUST** come to the cemetery office to complete the cemetery arrangements and sign mandatory authorization burial papers. Opening of the casket in the cemetery is strictly prohibited.

Adult disinterment (removal) charges will be quoted upon request. The cemetery authorities shall exercise due care in making a disinterment or removal, but shall assume no liability for damage to any casket or outer container incurred in making the disinterment or removal. No disinterment shall be allowed from mausoleum abbey crypts.

Cremated remains may not be placed on the top of an existing interment as we require 18" of earth over all interments and this requirement could not be met. Two urns may be placed in one adult grave space, but only one marker is permitted.

All pre-need interment, entombment and inurnment charges will be honored for weekday burials before 3 pm. After 3 pm weekdays, and all day on Saturdays are considered as "exceptions", and there will be an additional charge of \$200.00.

Thank you for your cooperation and support of Catholic Cemeteries.
