OTHER CHARGES

**Vault Handling as of (02/01/2010) includes: Tent or Chapel use, Seating, and Vault Setup.
(No Tents in Angel Section)**

If a family has already made pre-need arrangements with Catholic Cemeteries prior to February 1, 2010, the prepaid Interment/Entombment Fee did not include Tent/Chapel service fees. At the time of need, a Tent/Chapel service can be provided for an additional charge of \$100.00.

Cremation Vault	\$ 140.00 / up
Disinterment	Quote
Tent (extra)	\$ 100.00
30" Grave Box	\$ 550.00

ACCOMMODATION FEES	
<p>When cremated remains or infants are interred as a second burial in a grave, the cemetery must be contacted before final arrangements are made with the family. Not all graves can accommodate cremated remains buried on top of the existing burial vault. Cremated remains may also be placed in an occupied crypt in the mausoleum. An accommodation fee is charged for all second burials on the same grave or in the same crypt. These charges are:</p>	
Accommodation fee	550.00
Infant cherub entombed with adult in mausoleum	300.00

We encourage the use of the chapel for all funerals at Catholic Cemeteries. However, for our planning we need to know at least 24 hours ahead if you wish to use the chapel for a ground burial interment service. If we are not informed ahead of time, we will bill the Funeral Home a \$75.00 service fee charge. When the chapel service is chosen, we require that the funeral end there. There will be no tent, no above-ground vault setup, no snow removal, and no chairs set up at graveside. The cemetery or the funeral home can transport the casket after the family and friends have left.

Each body buried at Catholic Cemeteries requires an individual outer burial container. This includes cremations. Catholic Cemeteries oversees all vault handling. If a special request is made for a specific vault company to do the setup, our charges still apply.

All fees are due before the burial, unless prior arrangements have been approved by the cemetery. Opening of the casket in the cemetery is prohibited. Adult disinterment (removal) charges will be quoted upon request. The cemetery authorities shall exercise due care in making a disinterment or removal, but shall assume no liability for damage to any casket or outer container incurred in making the disinterment or removal. No disinterment shall be allowed from mausoleum abbey crypts.

Cremated remains may not be placed on the top of an existing interment as we require 18" of earth over all interments and this requirement could not be met. Two cremated remains vaults may be placed in one adult grave space, but only one marker is permitted.

All pre-need interment and entombment charges will be honored for weekday burials before 1pm. After 1pm weekdays and all day Saturday is considered an "exception", and there will be additional charges as follows:

Weekdays after 1pm and before 3pm	\$ 100.00
Weekdays after 3pm (daylight savings time only)	\$ 300.00
Saturday before Noon	\$ 200.00
Saturday after Noon and before 3pm	\$ 400.00
Saturday after 3pm (daylight savings time only)	\$ 600.00
